• The focus of the committee has now shifted to buyers, by planning on building up an email list-Suzie to send email to Alumini- The committee has an extensive postal mail out which include invitation from MLSHS Principal, P&C president, flyer to all previous buyers, VIP's and our community. The invitation highlight the active P&C and significantly lifts the profile of MLSHS in our community. In the past the school has been able to cover the cost of postage. Unfortunately this is no longer the case. Therefore LAA is asking for support of the P&C

Moved: Sonja Seconded: Jason Carried

Motion 2: P&C to cover flyer up to \$650

- At last P&C meeting the Language Committee has suggested sharing the profit between Music, SVAPA & Languages. For 2014 it won't be possible as the committee were half way through organising the event at last meeting. Currently the profit is distributed 50/50 with the Music and SVAPA Committees. As the committees relied heavily on the funds raised, suggestion that any involvement would need to increase the funds raised be at least 50% i.e. in 2013 LAA raised \$20,000.00, which means the committees would need to raise \$30,000.00 so that each group received the same amount. However, the committees are open to concrete proposal from the Language committee to the LAA before reconvenes early February 2015.
- All Art departments have been approached to showcase our talented students. Music students will
 perform, SVAPA students will serve food, sell raffle tickets and display artwork in auction room.
 Visual Arts will display their work. Media teachers have declined the offer as they didn't think it was
 appropriate to show films without sound.
- Last year Brian McKay generously donated one of his artworks, unfortunately unable to be sold last Art Auction. As Brian passed away this year, LAA would like to donate this artwork to MLSHS, suggesting being displayed in the new Music Building. LAA would like to present his artwork at an assembly to share with the students his outstanding support of the arts and education. Sonja to follow up with his family, MLSHS to discuss best location.
